- Guerrilla units in the Kwangtung-Kwangsi border area have reorganised their units during a lull in the Communist anti-guerrilla cempaign. Units under WU Te-ch'eng (其 成) have mobilized a force of 5,000 men with 2,000 weapons and have infiltrated the Peifengt'un (北 東 中) area, Mangchieh (107-59, 21-31), to attempt the destruction of Vietnam communications lines and werehouses. They are also attempting to get supplies by looting supply dumps in Vietnam.
